

Testimonials for The Importance of Key Stage 3

- All secondary schools would benefit from this training. A fantastic and insightful day
- Lots to think about and take forward. Knowledgeable delivery and pertinent to current education picture
- Really useful, especially so because of the small nature of the group, so we could talk about our personal needs
- The day was very informative. The coach was very knowledgeable and had a wealth of experiences to share
- An excellent session. Allowed me to think about KS3 and improve the outcomes for our pupils – A Great Session!!
- Very useful and informative date. Gave me plenty of food for thought
- Positive day and created opportunities for me to think about my options to move forward with KS3
- John was incredibly helpful and focused the day on what we wanted and needed as a group
- Really useful hands on approach with specific ideas to use and implement immediately in school
- Every minute of the session was relevant and informative – Brilliant!!
- John was fantastic! Kept it straight forward, real. Loads of ideas and ready with key issues to go back and sort out. His years of experience was pouring out of him
